

COVID-19 UPDATE

July 30, 2020

To all family and community members:

Two weeks ago The Village at Morrisons Cove introduced its *Plan of Reopening* and began the step-by-step process outlined by the Pennsylvania Department of Health. Our goal was to lift some restrictions beginning on July 27th.

However, due to unforeseen delays in laboratory testing, **we must postpone our reopening date by one week to August 3rd.** We apologize for the inconvenience and disappointment that this delay causes. Please be aware that the new date is tentative and may need to be changed as we continue to meet all of the required guidelines.

Our entire *Plan of Reopening* can be found on our website at www.villageatmorrisonscove.org. If you have not looked at it, we encourage you to take some time to read through our plan, which includes a step-by-step process for visitation, screening protocols, resident communal dining, resident activities, and volunteers. This plan will be implemented in the skilled nursing facility. Personal Care in the Court Apartment Building will implement a separate *Reopening Plan*, which can also be found on our website.

If you would like to schedule a video call, please reach out to our Activities Department to make arrangements at 814-793-2104 ext. 2212. In any end-of-life situations, The Village will be in continuous contact with a resident's family.

Please feel free to contact us with any questions or concerns - 814-793-2104.

Sincerely,

Kelly Steele
Long-Term Care Administrator
