

COVID-19 UPDATE

July 8, 2020

To all family and community members:

The Village at Morrisons Cove is currently working toward its *Plan of Reopening* in accordance with the guidelines set forth by the Pennsylvania Department of Health. The date set to begin the phased reopening is July 27, 2020 with some restrictions being lifted.

Please know that our staff is eager for residents and families to be reunited. We will do everything we can to ensure that our plan is properly implemented. However, if The Village does not meet all of the prerequisites issued by the PA Department of Health, the reopening date will be changed.

We will continue to send updates as we approach the July 27th date. In the meantime, our entire *Plan of Reopening* can be found on our website at www.villageatmorrisonscove.org. A printed copy of the plan will also be sent via mail with the July billing cycle. We encourage you to take some time to read through our plan, which includes a step-by-step process for visitation, screening protocols, resident communal dining, resident activities, and volunteers. This plan will be implemented in both the skilled nursing facility and the Court Apartment Building.

Until The Village begins its phased reopening, our residents still enjoy to see and talk with their loved ones through video chats. If you would like to schedule a video call, please reach out to our Activities Department to make arrangements at 814-793-2104 ext. 2212. In any end-of-life situations, The Village will be in continuous contact with a resident's family.

Please feel free to contact us with any questions or concerns - 814-793-2104.

Sincerely,

Kelly Steele
Long-Term Care Administrator
