**Date facility will begin to reopen: 8/4/20  
Reopening in Step 2 of the Interim Guidance for Personal Care Homes-PA Department of  
Human Services**

**Date of Baseline Testing: 7/6/20-7/10/20**

**The Village at Morrisons Cove has the capability to test all Personal Care Residents and Staff with or without signs or symptoms of COVID-19 and can test additional residents and staff in the event of an outbreak. We currently have an established contract with a laboratory facility.**

**All non-essential staff and volunteers will be tested prior to resuming any activities within the facility.**

**If any staff refuse testing, the facility will follow the Human Resources policy for required SARS CoV-2 testing.**

***COHORTING:* The Village at Morrisons Cove Personal Care (VMC PC) facility has created and documented a plan for cohorting residents with confirmed or suspected cases of COVID-19. Red, Yellow and Green zones will be identified by apartment. Red apartments will be used for those residents who have tested positive or are presumed positive for COVID-19. Yellow apartments will be utilized for those residents who have been potentially exposed to a COVID positive individual and will be closely monitored for signs and symptoms of the disease. Green apartments will be designated for those residents who test negative for COVID-19 and have had no known exposure to a positive case.**

***PPE:* The Village at Morrisons Cove continues to track personal protective equipment supply and use. The facility uses approved strategies to conserve supplies.**

**STAFFING:** - The Village at Morrisons Cove Personal Care facility has established an Emergency Staff Plan in the event of a mass shortage. VMC PC has not operated below state minimum requirements since the onset of COVID-19.

**HALT in Reopening:** If it is determined by the commonwealth that the process for reopening must revert back to the previous restrictions and orders, The Village at Morrisons Cove Personal Care will fully comply with all expectations set forth, and they will remain in effect until further guidance is issued.

***SURVEILLANCE PROTOCOL:***

**RESIDENTS:** Residents will continue with daily symptom and temperature checks in their apartments.

**STAFF:** The facility will continue to screen all staff (through surveillance protocol) prior to the start and at end of their shifts. Any person showing or expressing any symptoms will be given a mask, sent home, directed to quarantine and encouraged to follow up with their PCP and/or PA Department of Health.

**NON-ESSENTIAL STAFF:** All non-essential staff who enter the building will follow the surveillance protocol prior to beginning their shift and again at the end of their shift. Any person showing or expressing any symptoms will be given a mask, sent home, directed to quarantine and encouraged to follow up with their PCP and/or PA Department of Health.

**HEALTHCARE PERSONNEL WHO ARE NOT STAFF:** All non-employee healthcare staff will follow the facility surveillance protocol. Any person showing or expressing any symptoms will be given a mask, sent home, directed to quarantine and encouraged to follow up with their PCP and/or PA Department of Health.

**VISITORS:** All visitors will follow the facility surveillance protocol. Any person showing or expressing any symptoms will be given a mask, sent home, directed to quarantine and encouraged to follow up with their PCP and/or PA Department of Health.

**VOLUNTEERS:** Volunteers are not permitted in the facility at this time.

***COMMUNAL DINING FOR RESIDENTS UNEXPOSED TO COVID-19***

The Village at Morrisons Cove Personal Care will allow communal dining for unexposed residents by floor. Each floor (1, 2 or 3) will be permitted, on their designated day, to dine in the Courtside Café. Adhering to social distancing guidelines, residents will eat no closer than 6ft apart, no items will be preset on the tables, drinks will be delivered to the resident and food will be covered while in transport from kitchen to table. Disinfecting will occur after each meal time.

**NON-ESSENTIAL PERSONNEL:** Non-essential personnel included in the reopening plan are beautician and spiritual counselors. Other non-essential personnel will be considered on an “as needed basis” for the health and mental wellbeing of the residents.

***VISITATION PLAN:*** Visitation will be offered on a scheduled basis Monday-Friday during daylight hours. Two predetermined visitors may visit with unexposed residents only for no longer than ½ hour intervals. Visiting areas will remain in neutral zones including the patio (weather permitting) and dining room. Social distancing must be maintained, visitors must wear masks and all visits will be monitored by a staff member.
