

COVID-19 UPDATE

MARCH 11, 2021

To all family and community members:

Thank you for your continued support. Your cooperation and compassion through the winter months lifted our spirits and allowed us to better care for our community. As COVID-19 cases in Blair County decline and springtime rolls around, we continue to work toward our *Plan of Reopening*, developed in accordance with guidelines set forth by the Pennsylvania Department of Health.

We are excited to announce The Village is set to reopen for coordinated visitation on **March 19th, 2021**. We cannot wait for our residents and families to be reunited and look forward to celebrating brighter days ahead. In-person visitation will be offered Monday through Friday from 8:00 AM to 4:30 PM and limited to two guests. Visits will be 30 minutes long and held in designated areas. In-person visitation can be scheduled through Mike Lightner in the Activities Department by calling 814-793-2104 x 2212. In the meantime, families can still schedule virtual visits at the same number. In any end-of-life situations, The Village will be in contact with a resident's family.

Please know that while we will do everything we can to ensure a smooth and safe reopening, our priority remains individual and communal well-being. If The Village does not meet all of the prerequisites in our *Plan of Reopening*, the reopening date will be delayed. We will continue to update you with any critical changes. Our entire *Plan of Reopening* can be found on our website at www.villageatmorrisonscove.org. We encourage loved ones to take time to read through the document, which includes a step-by-step process for visitation, screening protocols, resident communal dining, resident activities, and more.

Please feel free to contact us with any questions or concerns at 814-793-2104. The Village is committed to keeping our community safe, happy, and healthy; and we look forward to seeing you soon.

Sincerely,

Corey Jones
