

COVID-19 UPDATE

AUGUST 11, 2021

To all family and community members:

The Village at Morrisons Cove would like to thank you for your continued support and understanding as we manage the COVID-19 pandemic. As of Wednesday, August 11th we have identified one potential exposure in the facility. This exposure was recorded on the South and BD North units. All residents within the facility have tested negative for COVID-19. We are in the process of testing all staff members to mitigate further risk. Out of an abundance of caution, The Village has suspended visitation and out-of-facility excursions for the yellow units mentioned above. Green units are still open for visitation. Compassionate care visits are also open for family members whose loved ones are in decline, and arrangements can be made through our care plan team at 814-793-2104 x 2219 or 2212. For any questions or concerns, please contact us at 814-793-2104. We will continue to update you with any changes. Thank you and God Bless.

Sincerely,

Corey Jones
