The Village at Morrisons Cove

Stay current on happenings at The Village! November 2023

Thanksgiving is around the corner and we have so much to be grateful for. Our nursing home residents have had warm weather the past few months and enjoyed a litany of activities, including cornhole, indoor beach ball, trivia, group singing, and more. All group activities follow safety recommendations. Staff made the most of Halloween this year through our costume contest and celebrated the end of summer with a September BBQ. We look forward to celebrating Thanksgiving and Christmas with everyone!

As part of our mission, our ministry provides a variety of religious services for our nursing home residents throughout the week. This includes Sunday worship; Bible study; and more. We are thankful for every individual and church who donate their time to ensure our older adults feel supported and connected to their faith.

The Village was excited to participate in the Middle Pennsylvania District Church of the Brethren's annual conference this October. We would not be here today without their collaboration and support.

The Village also participated in the 2023 Walk to End Alzheimer's at the Altoona Curve last month. Pictured above is The Village team. When it comes to advocating for senior health, we are stronger together.

Our Mission

The Village at Morrisons Cove, in affiliation with the Middle Pennsylvania District Church of the Brethren, is established to serve the members of the Church of the Brethren and our neighbors in the larger community. The Village provides a residential community and health care to men and women in active retirement, as well as those in need of convalescence, assisted living, or long-term health care. Believing that God charges us to care for the whole person, The Village provides services that enrich the spiritual, emotional, social, intellectual, and physical lives of residents.
