The Village at Morrisons Cove

Stay current on happenings at The Village!

February 2024

Hello 2024! The Village wrapped up 2023 with Christmas gifts for our residents, a thank-you meal for our employees, and our community-wide Polar Express Experience. Our residents have been staying warm inside with activities including afternoon movies, music events, trivia, and Sunday worship. All group activities follow recommended safety measures. 2023 was our 120th anniversary and we're thankful to everyone who supported us. Look inside for a list of our supporters! As part of our thank-you celebrations, Barry and Marlene Halbritter, who have been with our organization for over 40 years and helped found the Detwiler-Halbritter building, were honored in January for their lifetime contributions. We look forward to many years ahead. Pictured: (bottom right, front row) *Barry and Marlene Halbritter*; (back row) *Charles Kensinger, Dr. Ramon Burket, Board Chair, and Dr. Robert Neff*.

## Our Mission

The Village at Morrisons Cove, in affiliation with the Middle Pennsylvania District Church of the Brethren, is established to serve the members of the Church of the Brethren and our neighbors in the larger community. The Village provides a residential community and health care to men and women in active retirement, as well as those in need of convalescence, assisted living, or long-term health care. Believing that God charges us to care for the whole person, The Village provides services that enrich the spiritual, emotional, social, intellectual, and physical lives of residents.
