The Village at Morrisons Cove

Stay current on happenings at The Village!

May 2024

We're hopping into springtime with Easter crafts, Sunday services, and a range of indoor activities. Our residents celebrated St. Patrick's Day with a festive meal and our staff had a mini scavenger hunt. Easter celebrations, including a March 31st service and a visit from the Easter Bunny, were in full effect. Letters of Hope have been brightening our hallways and we're grateful for everyone who's taken the time to write a letter or card this winter.

As the weather warms up, we invite friends and family to stop in and visit their loved ones. Visitation is available for all residents. Our facility sends out routine text messages with information regarding COVID-19, infection control recommendations, and any necessary PPE updates so individuals can better prepare for their visits.

In addition to regular visitation, our residents greatly enjoy the variety of spiritual services offered in our facility. The Village is happy to welcome church groups and volunteers who would like to contribute to The Village's mission and brighten an older adult's day. To learn more about these volunteer opportunities, call us at (814) 793-2104.

Investing in the Future of Long-Term Care

In early March, The Village was honored to host a press conference to highlight the recent collaboration between our facility and The Pennsylvania Department of Health's Long-Term Care Transformation Office (LTCTO). The Village was one of multiple facilities throughout the state-- and the only facility in Blair County-- to participate in the LTCTO's Quality Investment Pilot. The grant focuses on professional development, infrastructure improvements, and technology upgrades. The Village is proud to work with our state-level partners to continue fighting for the future of our industry and improving care for our nursing home residents.

Thank you to our speakers: Acting Health Secretary, Dr. Debra Bogen; Special Advisor to the Secretary of Aging, Kevin Hancock; Pennsylvania Health Care Association President and CEO, Zach Shamberg; LeadingAge PA Senior VP and Chief of Government Affairs, Chuck Quinnan; and The Village at Morrisons Cove Long-Term Care Administrator, Bonnie Robison. Thank you to our partners, including Senator Judy Ward, for attending. Photography courtesy of PACast.

Our Mission

The Village at Morrisons Cove, in affiliation with the Middle Pennsylvania District Church of the Brethren, is established to serve the members of the Church of the Brethren and our neighbors in the larger community. The Village provides a residential community and health care to men and women in active retirement, as well as those in need of convalescence, assisted living, or long-term health care. Believing that God charges us to care for the whole person, The Village provides services that enrich the spiritual, emotional, social, intellectual, and physical lives of residents.

Check out The Bistro at The Village Green

The Bistro has so much to offer this spring and summer! Our restaurant has rotating Soup & Salad Bars every Wednesday from 11AM to 2PM for only \$9.00. Monthly Sunday Brunches are back by popular demand. While we've already featured Valentine's Day and Easter, there's always something to celebrate:

Mother's Day Brunch: May 12th

Father's Day Brunch: June 16th

Reservations available for 11AM or 12:30PM

We also have seasonal menu updates and are incorporating new events. We hosted our first Trivia Night in March; we are hosting two more Trivia Nights on May 23rd at 6PM and June 27th at 6PM. For more information on upcoming events, be sure to follow us on Facebook at "The Village Green."

Do you have a special event coming up in 2024? From baby showers, to weddings, get-togethers and more, The Village Green and The Manor House make a perfect venue duo! Call us at (814) 793-5234 to book your event today. *Photo below courtesy of Grin Gallery Photography & Art Gallery.*
