The Village at Morrisons Cove

Stay current on happenings at The Village! November 2025

Thanksgiving is coming up and we have so much to be grateful for in our corner of the Cove. From our end-of-summer luau to Halloween celebrations, our halls have been filled with laughter and conversation. Our residents have watched the leaves change as they attend Bible Study and activities; some have even brought the color inside and created fall arts & crafts with our Activities staff to decorate their rooms.

We've recently had an influx of community donations. A donor gave dozens of new and lightly used clothing pieces in September, allowing us to hold an "open market" for residents. It was a great way to add new sweaters, jackets, and daily staples to their wardrobe while bringing the shopping experience to them. Puzzles and handknit items have also been flying through our doors.

Looking for ways to give? We accept puzzles, large-print books for our resident library, and arts and crafts supplies. We also accept lap blankets, shawls, and other warm items as we head into winter. For needed items for hospice residents, contact our hospice department at (814) 793-5233. Thank you for all you do for our residents!

Thank You!

Our Mission

The Village at Morrisons Cove, in affiliation with the Middle Pennsylvania District Church of the Brethren, is established to serve the members of the Church of the Brethren and our neighbors in the larger community. The Village provides a residential community and health care to men and women in active retirement, as well as those in need of convalescence, assisted living, or long-term health care. Believing that God charges us to care for the whole person, The Village provides services that enrich the spiritual, emotional, social, intellectual, and physical lives of residents.

Honoring a Legacy: The Dr. Ramon K. Burket Guardian Endowment Fund

Empathetic, community-oriented, guided by faith, knowledge, and benevolence: This is how Dr. Ramon Burket lived for 90 years of his life and how he will be remembered.

Dr. Burket was a staple of The Village and the local Cove community. A family physician, he put his patients at the forefront of his praxis; even in his off-time, he could be found patching up the Roaring Spring football team. He served on the Board of Trustees for The Village at Morrisons Cove for over 30 years.

Dr. Burket was an advocate for education, wellness, and community care. In his honor, and in recognition of his passions, The Village is proud to announce the establishment of The Dr. Ramon K. Burket Guardian Endowment Fund, a fund specially designed to benefit The Village's endowment fund and provide nursing home residents with greater access to wellness and care programs. The fund serves older adults facing financial hardship to ensure they can continue to age with dignity and care. Empathy, community, and faith: May we all follow such an excellent example.

End-of-Year Giving

Did you know? Nearly a third of all annual giving happens in December. This year on December 2, 2025 is the tenth annual Giving Tuesday, a global movement to give to nonprofits after Thanksgiving. End-of-Year Giving provides great relief as we continue our mission and support our nursing home residents.

A Message from the Chief Executive Officer

As we look towards 2026, I would like to personally thank you for your continued prayers and support. We continue to develop critical areas to meet the needs of our population. The development of new branches, new positions, new funds, and new homes signals a bright future for The Village. As always, we invite you to join us: Whether it be as a staff member, resident, volunteer, or Good Samaritan, there is

always a seat for you at our table. To make a difference, it takes a Village.
